

Promoting floriculture

In order to create a better understanding of the Indonesian Floriculture Industry and it's numerous products & opportunities, ASBINDO is involved in various promotion activities nationally as well as internationally.

In this section of the website you can find more information about Floriculture events and activities:

- [A listing of floriculture activities/fairs and conferences \(both national and international\) that might be interesting for you to visit](#)
- [Information on the promotion activities of ASBINDO at the various Floriculture events like:](#)
 - AGRINEX
 - Taipei International Floral Exhibition (Taiwan)
 - TOMOHON Flower parade
 - Independents day celebration at the state palace

If you have specific questions regarding floriculture in Indonesia do not hesitate to [contact us](#) .
